

Memorandum of Agreement  
Regarding  
Reappointment Procedure for Adam Redding, Instructor in Chemistry Lab

It is hereby agreed by The Richard Stockton College of New Jersey and the Stockton Federation of Teachers that the following procedure will be followed to effect an appropriate evaluation for Adam Redding for possible reappointment for academic year 2008-2009. It is agreed that this procedure will be for the current reappointment only and sets no precedent for any other employee.

A reappointment schedule will be constructed in consultation with the SFT that provides reasonable time intervals for the necessary steps in the procedure and permits notice to the candidate by April 15. Levels of review, as per existing agreements, will be the Program Review Committee and the Dean unless there is a negative recommendation at one of these levels. File contents will be consistent with Procedure except that a Peer Evaluation of Teaching as described in Section 7.3.3, normally not required in the first year, will be included.

IN WITNESS THEREOF, the College and the Stockton Federation of Teachers have caused this Memorandum of Agreement to be executed this \_\_\_\_\_ day of \_\_\_\_\_, 2008.
