Letter of Agreement with regards to the Nursing Program
June 30, 2004

Notwithstanding Article III, item #7, of the Agreement regarding Directors of Graduate Programs, for academic years 2004-2005 and 2005-2006 the Nursing Program may recommend one individual to serve as Coordinator and as Director of the MSN program. The compensation for this individual will be the sum of the compensation for Coordinator and for Program Director as determined by the respective Agreements. The parties agree that they will reopen consideration of the matter prior to the end of AY 2005-2006.
